rouleau loops £1.40 each

Rouleau loops perfectly spaced and uniform length for a professional finish, supplied on a tape ready to sew into the seam. 30cm x 50cm makes 10 loops with buttons.

Spacings available are 11mm, 13mm, 16mm or multiples of those sizes. A "traditional" wedding dress typically has size 18 (11mm) highball buttons with the loops spaced at 13mm. This gives 2mm between each button for a "close-spaced" look.

If you have any queries ring us; we'll need the total length of the opening, size of buttons and spacing. If you are not ordering the buttons from us as well then send a sample for sizing.

Stitched buttonhole service

Please read all instructions carefully.

Choose which of the 6 different styles you require.

Indicate if you would like your buttonholes horizontal or vertical and clearly mark on the face side of the fabric the location of the buttonholes.

Provide a swatch of fabric for testing, a button to ensure correct buttonhole size and thread if you need specific colour. We require two separate spools of thread. Recommend providing 100% polyester Gutermann thread.

Cost is **£15** per garment plus **£3.50** per buttonhole. For example, if you have 6 waistcoats that each need 5 buttonholes the cost would be £15 x 6 plus £3.50 x 20.

When your order is received, we will email an invoice so you can confirm the details and pay any outstanding balance.

1. Placing an Order

To ensure your items are made correctly, please provide full and accurate instructions.

- Complete an order form or include a note with your **full contact details**, **email address**, and **clear order instructions** (quantities, measurements, style, extras, upgrades).
- Complete an **order slip** (pages 25–26) for each separate item. Attach a sample of your fabric to the slip with the **right side facing out**, and pin the slip to the rest of the fabric.
- Package your order securely and send it to: **Harlequin, Shop Road, Little Bromley, Manningtree, CO11 2PZ**

Important: Your package will require at least a *Large Letter* stamp. Underpaid postage causes delays of up to **three weeks** and incurs Royal Mail penalties.

Always include your contact details with the fabric.

2. Fabric Handling

All fabric sent to us is treated as having **zero commercial value** and is **not retained** after production. Return of surplus fabric is available at a flat charge of **£6**.

3. Postage & Delivery Options

Standard **P&P is £6.80**, covering packaging, administration, and postal costs. We now dispatch via **Royal Mail Tracked 48** (delivery aim: 2–3 working days).

Optional upgrades:

3. Ensure **full payment** has been made.
4. Priority Orders are sent via **Royal Mail Tracked 24**, unless Courier Delivery is also purchased.

We are a bespoke manufacturer, and all items are made to order. Usual turnaround times:

- **Buttons:** Next working day
- **Belts:** Two working days
- **Other items:** Approximately two weeks

These timings apply to **small orders and standard items**. For **large orders**, **discounted orders**, or **non-standard products**, please allow up to 6 to 8 weeks.

Lead times vary throughout the year. You are welcome to contact us for current estimates, but please note that workload can change between enquiry and receipt of your order. If your order is **time-critical**, you must check with us before sending it.

6. Terms & Conditions of Sale

By placing an order with Harlequin, you agree to the following terms:

6.1 Contract Formation

A binding contract is formed when we accept your order and issue an invoice. We reserve the right to decline any order at our discretion.

6.2 Customer Responsibilities

You are responsible for providing **complete, accurate, and legible instructions**. Errors arising from incomplete, incorrect, or unclear instructions will incur a charge for correction.

6.3 Our Responsibilities

Our liability is fully discharged upon delivery of a **satisfactory article made to the specification you provided**, or—if we are unable to fulfil the order—upon **refund of the amount paid**.

6.4 Returns & Issues

If there is a problem with your order:

- Notify us immediately.
- Return the item **with all paperwork originally supplied**.

We will assess the issue and advise whether it is due to workmanship or incorrect instructions.

6.5 Limitations of Liability

To the fullest extent permitted by law:

- We are not liable for indirect, consequential, or financial losses arising from delays, errors, or postal issues.
- We are not responsible for loss or damage to fabric sent to us, as it is treated as having zero value.
- We are not responsible for delays caused by Royal Mail, couriers, or underpaid postage.

6.6 Bespoke Manufacturing

All items are made to order. Variations inherent in handmade production are normal and do not constitute defects.

6.7 E&OE

Errors and omissions excepted.

7. Payment Terms
